

Teaching ideas

Definitions

This isn't a game as such. It is a set of animated definitions. There are examples on each page and some pages have animations to illustrate the terms.

There are definitions for the following terms:

- Main clause
- Simple sentences
- Compound sentences
- Subordinate clauses
- Complex sentences
- Connecting adverbs

It also includes:

- Examples of subordinating conjunctions
- Examples of connecting adverbs

How to play

You can either work through each page in order. Just keep pressing the **Next** button and press the **Play** button (if there is one) to start the animation.

Alternatively, you can go direct to a particular page when you are teaching that concept. Just click on the box beside that term on the menu page.
